

Plant Hire

AE Group offers one of the largest and most diverse fleet of mining and construction plant and machinery in the industry, with around 200 equipment and plant items. We offer major and minor, wet and dry plant hire and also hire plant to major projects (on hourly hire, contract or long term basis).

ABOVE AVERAGE AVAILABILITY AND PERFORMANCE LEVELS

Our fleet undergoes a Programmed Preventative Maintenance Schedule to ensure compliance to safety standards and the requirements of relevant regulatory authorities. By regularly maintaining our fleet to the highest standards, we offer above average availability and performance levels.

Austrroads National Prequalification for Civil Construction, Road and Bridge Contractors: R3, B2 and F20.
